

# Fundamentals of Music: Rudiments, Musicianship

Fundamentals of Music provides a clear and comprehensive approach to mastering the language of music. The authors invite students to create composition projects, develop aural skills through listening exercises, and analyze musical examples from various styles and genres. The text informs, guides, and encourages students with basic theoretical information that is balanced with helpful suggestions for study, copious exercise material, introductory aural skills training, and self-tests with answers. Updated Review Sets are short drills to create class discussions. Updated Musicianship Studies exercises include sight singing, ear training, and keyboard skill development activities. Updated Building Skills exercises conclude each chapter and engage students in creative analysis, composition, and arranging tasks.
